Hupfer enables the easy mobility of goods through a wheel set. It supports the efficient organisation and transport of items in various environments.

Discover the VarioCart wheel set made of stainless steel from Hupfer – the perfect solution for your logistics needs in the catering industry. With a diameter of 125 mm, the robust swivel castors offer exceptional mobility and flexibility. Two of the swivel castors feature a practical total lock that guarantees secure positioning. The high-quality stainless steel housing not only ensures durability but also provides an attractive appearance. The VarioCart wheel set optimises the transport and organisation of food and equipment. Experience the combination of functionality and style – enhance the efficiency of your operations with the VarioCart wheel set!

- **Roller set Ø 125 mm** - Optimal mobility for easy handling and transport of goods.
- **2 swivel castors** - Improved manoeuvrability in tight spaces.
- **2 swivel castors with total lock** - Stable positioning for safe working.
- **Castors with back hole fastening** - Easy installation and replacement of the castors.
- **Stainless steel housing** - High durability and hygienic properties for use in gastronomy and medicine.
