

VarioCart Wheel Set, Plastic, Black, Stainless Steel Bearings

HUPFER
we make work flow

Technical data

Weight:	1 kg
Width:	59 mm
Depth:	330 mm
Height:	161 mm

Similar to illustration, technical modifications reserved. Without decoration.

Hupfer offers a wheel set for easy mobility and organisation of transport goods. It enables the efficient movement and stabilisation of loads in various logistics processes.

Discover the VarioCart wheel set from Hupfer – the perfect solution for efficient logistics in commercial catering. This high-quality wheel set impresses with a robust black plastic housing and durable stainless steel ball bearings. With a diameter of 125 mm and two swivel wheels equipped with a total brake, the VarioCart wheel set offers optimal mobility and safety. The practical rear hole mounting makes installation easy and ensures stability. Improve your transportation processes and optimise storage with the VarioCart wheel set. It simplifies the movement of heavy loads and increases efficiency in your hospitality business. Rely on quality and functionality – for a smooth operation!

- **Roller set with a diameter of 125 mm** - Optimal mobility and flexibility in use.
- **Two swivel castors** - Easy manoeuvrability in tight spaces.
- **Two swivel castors with total lock** - Secure stand and stability during use.
- **Castors with back hole fastening** - Easy assembly and disassembly for versatile applications.
- **Black plastic housing** - Durability and appealing design for professional applications.
