The rubbish bag holder frame provides a stable support for rubbish bags and allows for a quick change.

The waste bag holder frame is the ideal solution for efficient waste disposal. It provides a stable support for waste bags and allows for quick changes. The thoughtful design keeps the waste bag securely in place and promotes a tidy, hygienic working environment. Thanks to the use of high-quality, recyclable stainless steel, the waste bag holder frame also ensures a long lifespan and hygienic cleaning even with intensive use.

- provides a stable holder for rubbish bags
- allows for quick changing of rubbish bags
- uses high-quality, recyclable stainless steel for long durability and hygienic cleaning
