## Technical data

<b>Weight:</b>	0.4 kg
<b>Width:</b>	545 mm
<b>Depth:</b>	33 mm
<b>Height:</b>	31 mm

*Similar to illustration, technical modifications reserved. Without decoration.*

Hupfer offers a solution for the storage of condensate liquid. The tray allows for easy placement in transport trolleys and helps with organisation and the prevention of moisture damage.

Discover the 545x33x31 mm condensate collecting tray from Hupfer – the perfect solution for efficient logistics in commercial catering. This high-quality stainless steel tray reliably collects any condensate liquid and protects your transport trolleys with cold storage plates from unwanted liquid accumulations. With its compact design, the tray can be effortlessly slid into a central wall for cold storage plates. This keeps your workspace clean and tidy while ensuring the quality of your food is maintained. Choose the condensate collecting tray from Hupfer and optimise your logistics processes. Efficiency, hygiene, and user-friendliness – all in one product!

- **Material:** Stainless steel - *Robustness and durability for daily use.*
- **Dimensions:** 545x33x31 mm - *Optimal size for use in transport carts with cold storage plates.*
- **Function:** Collecting condensate liquid - *Efficient prevention of moisture damage and ensuring cleanliness.*
- **Design:** Insertable into partition wall - *Flexible integration into existing systems for improved logistics.*
