Hupfer offers a mobile shelving set that enables flexible storage. It supports the transport and organisation of goods through its modular design.

Discover the Norm 20 Mobile Shelving Set for a shelf size of 1300x500 mm from Hupfer. This practical shelving set made of high-quality aluminium offers an optimal solution for storage and organisation in the hospitality industry. With its disassemblable construction, the Norm 20 shelving allows for flexible adaptation to various room sizes and needs. The robust design ensures durability and stability, while the appealing aesthetic brings a modern touch to your kitchen. Benefit from the ease of handling and lightweight transport to optimise your logistics processes. The Norm 20 Mobile Shelving Set helps you create order and improve workflow, allowing you to focus on what matters most: preparing delicious meals.

- **Modular Design:** Disassemblable for flexible adjustment and easy storage.
- **Robust Material:** Aluminium ensures high stability and durability.
- **Optimal Dimensions:** With a surface area of 1300x500 mm for versatile applications.
- **Easy Handling:** Mobility allows for easy repositioning in various environments.
- **Efficient Organisation:** Ideal for the storage and transport of goods in the catering industry.
