Closed support made of polystyrene segments on aluminium bearer beams.

The effortlessly attachable, closed plastic tray provides a lightweight, secure, and very easy-to-clean surface, even in the dishwasher. This tray for the Norm 12 shelf can support high loads despite its low weight. Temperatures of -30°C are also not a problem in the long term. The materials used are sustainable, 100% recyclable, and so valuable that Hupfer guarantees today to buy back your entire shelf at the end of its service life.

- Closed design in plastic with low weight ensures safe, hygienic storage and clear access at all times.
- High-quality processing of premium plastic allows for perfect hygiene and easy cleaning, even in the dishwasher.
- Valuable materials ensure sustainability and value retention.
- Stable construction guarantees high load capacity.
- Modular system ensures easy handling from assembly to cleaning with minimal effort.
