

Hook frame for packing tables

P/N: 7500217 | HL/1s 555/40/1447

Technical data

Weight:	3 kg
Width:	556 mm
Depth:	41 mm
Height:	1447 mm

Similar to illustration, technical modifications reserved. Without decoration.

The hook rail creates more space on the work surface and serves for the organised and ergonomic storage of work materials.

The hook rail is a flexible and space-saving solution for storing items. Its robust construction from high-quality, recyclable stainless steel ensures durability and stability. Additionally, the hook rail allows for ergonomic and effortless access to the hung work materials.

- ergonomic access to work materials
- Creates space on the work surface
- High stability due to welded hooks
- Use of high-quality, recyclable stainless steel for a long service life and hygienic cleaning
