

Gastronorm trolley for 12 ISO

P/N: 7504886 | RWG/E 1/12 ISO 110-L-U

HUPFER
we make work flow

Technical data

Modular dimension:	110 mm
Insertion type:	Lengthwise insertion
Weight:	23 kg
Width:	525 mm
Depth:	1683 mm
Height:	792 mm

Similar to illustration, technical modifications reserved. Without decoration.

Hupfer enables the efficient storage and transportation of ISO baskets. The structure promotes an organised arrangement and simplifies the loading and unloading process.

Discover the shelf trolley for 12 ISO baskets 110 from Hupfer – the perfect solution for the efficient logistics of sterile goods in the medical field. This practical shelf trolley made of high-quality stainless steel features a thoughtful height grid of 110 mm and allows for easy longitudinal insertion of the baskets. The sturdy U-shaped rails ensure safe and space-saving storage. Benefit from optimal organisation and quick access to your ISO baskets. The shelf trolley simplifies sorting and transport while simultaneously ensuring hygiene and safety. Count on quality and efficiency with the shelf trolley for 12 ISO baskets 110 from Hupfer – for smooth logistics in your facility!

- **Height grid 110 mm:** Flexibility in adapting to different storage needs, allows for optimal space utilisation.
- **Longitudinal insertion:** Efficient use of space, facilitates the loading and unloading of ISO baskets.
- **U-profiles:** Stability and safety during transport, prevents baskets from slipping.
- **Stainless steel construction:** Durability and easy cleaning, ideal for hygienic requirements in gastronomy and medicine.
