The stainless steel side panel ensures clean connections all around, protects against dust and makes cleaning easier.

The side panel of the MediFurn tall cabinets provides a smooth surface on the cabinets and ensures easy cleaning and hygiene. The seamless integration allows smooth adjustment to existing tall cabinets, contributing to the efficient use of the available space.

The materials used are sustainable, 100% recyclable and so valuable that Hupfer guarantees that it will buy back your cabinet and accessories at the end of their service life.

- High-quality workmanship on high-quality stainless steel allows for perfect hygiene and easy cleaning
- For a smooth surface for the cabinets
- Provides additional stability
- Effectively stops dust accumulating
