The Da Vinci drawer frame set is for height-adjustable installation in the container transport cart Da Vinci. It holds one sterile goods basket Da Vinci.

The high-quality Da Vinci drawer frame set completes the Da Vinci container transport cart. The set accommodates one Da Vinci sterile goods basket and ensures a secure hold during transport. The smooth-pull-out allows ergonomic and safe removal of stored sterile goods. Thanks to the high-quality workmanship in electro-polished stainless steel, the drawer frame set can be easily cleaned for sparkling hygiene.

- Smooth pull-out for ergonomic and safe removal of the basket
- Accommodates one Da Vinci sterile goods basket
- Height-adjustable installation so that spacing can be adjusted as needed
- High-quality workmanship in electro-polished stainless steel for easy cleaning and perfect hygiene
- Valuable materials ensure sustainability and value retention
