CROCKERY TRANSPORT MADE EASY

The Hupfer tray clearing trolley. Aesthetics meets functionality.

MINIMUM EFFORT, MAXIMUM EFFICIENCY

The Hupfer tray clearing trolley brings order into your dish return processes.

Getting the dishes back the washing-up room poses new challenges for caterers every day. Especially where there is no additional clearing service, a suitable solution must be found so that the dishes can be returned properly even during peak times.

The Hupfer tray clearing trolley has the answer. With its sturdy, easy-to-clean aluminium design and extensive customisation options, it provides the ideal solution for return transport. The lightweight design, ergonomic push handle and hinged bumpers allow easy handling. Optimise your kitchen logistics with the tray clearing trolley, the reliable solution for modern catering establishments.

ONE PRODUCT FOR ALL TRAY SYSTEMS

The comprehensive range always allows optimum coordination with the needs and requirements of each establishment. Depending on the model, our aluminium tray clearing trolleys are suitable for GN, EN, universal or trapezoid trays, always with a choice of lengthways or side loading.

GN TRAY

325 x 530 mm

EN TRAY

370 x 530 mm

UNIVERSAL TRAY

460 x 344 mm

TRAPEZOID TRAY

480 x 350 mm

You also have every option available when it comes to loading capacities: Depending on your required number of compartments and rail pitch, you can accommodate between 6 and 36 trays in a height of 1450 or 1650 mm. For tall items such as glasses or returnable bottles, all models can be optionally equipped with a polymer-coated basket.

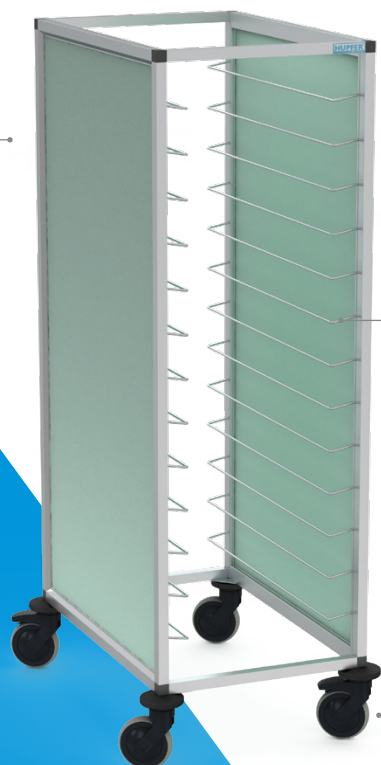

Makes an impression: The perfectly finished side walls are available in 17 different decors.

Clean: The decors have an antibacterial coating.

Bodyguard: Effective impact protection due to 4 polymer swivelling disk bumpers.

Super-stable: Sturdy tray racks made of 6 mm solid stainless steel, firmly connected to the tubular frame.

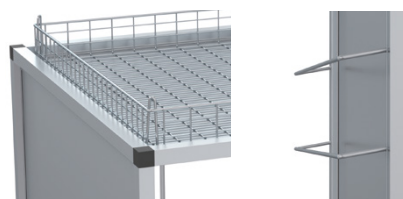

Smooth running: Choose which one of the various wheel options suits you.

CLEAN BUSINESS

The high-quality design consisting of proprietary aluminium profiles with neatly fitted side panels ensures that cleaning could not be easier.

- **High quality:** The stainless steel tray rests guarantee maximum ease of cleaning and durability.
- **Seamlessly clean:** With no seams or joints, the closed aluminium profiles make daily cleaning easier.
