

Work Table ErgoMultiPoint... ...for ergonomic workplaces!

Winner of the

Advantages and benefits in overview

- Specially suitable for quick preparations in „à la carte“ business.
- Height adjustability always provides a good ergonomic support, also for long work processes.
- All important utensils are at hand and can either be cooled (passive cooling) or heated.
- Already prepared dishes can be given the last finish.
- Flexible storage underneath / equipped with electrical connections for blender etc.
- Mobile version available on request. This way it can be made possible to use it in different places.
- Equipped with a two storage rail where containers for salads, condiments, dressings, sauces, herbs, spices etc. can be mounted.
- Dimensions: W x D 1450 x 750 mm. Height electrically adjustable from 855 to 1155 mm.

The table height can be adjusted electrically from 855 to 1155 mm. This always provides the ideal working height for both small and tall people.
