STW/VV

STW/S

Save up to
208 €
cleaning costs per
year with the
STW/VV!*

ERGONOMICS

- continuous vertical push bars for every body size

TRANSPORT

- transport latch for out-of-house-transport
- continuous bumper strip

HANDLING

- closing mechanisms can be operated by one hand
- doors can be opened up to 270°

CLEANABILITY

- suitable for washing devices

*Assumptions: The STW/VV can be cleaned in approx. 2 minutes less time (no drag water). With 520 cleaning processes per year, this corresponds to approx. 17.3 hours. Evaluated with a wage of 12€ per hour, this results in a cost advantage of 208 €.
