The versatile VARIOCART for the transport and provision of drinks, food, dishes, laundry, and much more. With 2 to 5 ergonomically accessible shelves, each VarioCart offers generous storage space in Euro container format for every need and is accessible from all sides.

The VARIOCART made of stainless steel is the ideal transport cart for drinks, food, and dishes. As a versatile helper in the hospitality industry, hotels, and care facilities, it offers high robustness and durability thanks to its stable stainless steel construction. Ergonomic use is ensured by the stainless steel push handles and height-adjustable shelves. The shelves provide a practical storage area in Euro container format. Smoothly folded shelf edges allow for easy cleaning and perfect hygiene. The lightweight, collapsible serving cart is equipped with four swivel wheels that enable smooth movement and precise manoeuvring. The serving cart is delivered disassembled in space-saving flat-pack shipping, and the necessary tools for quick and easy assembly are included.

- dismountable design enables space-saving flat-pack shipping for efficient delivery
- torsion-resistant frame construction provides integrated push handle for ergonomic use
- sound-insulated shelves ensure low-noise transport for a pleasant working environment
