гарантируется.*

Plate transport trolley in high version, loading from two sides, for storage and transport of stackable crockery items such as plates and covers.

Trolley in robust, self-supporting and hygienic design, made of high-quality stainless steel. Round tube frame with two welded shelves that are inclined by 6° to the centre and provided with reinforcement struts, hygienically folded and rebated inwards, designed for easy cleaning. Rear and frontal guide and safeguarding of inserted crockery stacks through wires running vertically. Push bars integrated on both sides into tube frame ensure good manoeuvrability. 4 polyethylene disc bumpers serve as bumpers and protect trolley on all sides as well as building-side walls from being damaged. Trolley runs on 4 swivel casters of which 2 with total locks, ø 4.9" (125 mm), with pin fastening.

The Hupfer plate transport trolley TETW/h 2 / 26 has a shelf installed at a greater height, providing an ergonomically more advantageous and user-friendly dispensing height for the tableware stored in it in comparison to other products.
