гарантируется.*

Rust protection plate made of polystyrene segments with perforation 75 × 25 mm on aluminium support beams.

The effortlessly attachable plastic grid insert provides a ventilated, safe, and very easy-to-clean surface, even dishwasher-safe. Despite its light weight, the insert of the Norm 12 shelf supports high loads. Temperatures of -30°C are not a problem even in the long term. The materials used are sustainable, 100% recyclable, and so valuable that Hupfer guarantees to buy back your entire shelf at the end of its service life.

- Rust-proof design in plastic with low weight ensures ventilated, safe, and hygienic storage while maintaining the condition of the stored goods.
- High-quality processing of premium plastic enables perfect hygiene and easy cleaning, even in the dishwasher.
- Valuable materials ensure sustainability and preservation of value.
- Sturdy construction guarantees high load capacity.
- Modular system allows for easy handling from assembly to cleaning with minimal effort.
