гарантируется.*

Closed plate made of polystyrene segments on aluminium support beams.

The effortlessly attachable, closed plastic tray offers a lightweight, secure, and very easy-to-clean surface that can even be washed in the dishwasher. Despite its low weight, this tray from the Norm 12 shelf can support high loads. Temperatures of -30°C are not a problem even in the long term. The materials used are sustainable, 100% recyclable, and so valuable that Hupfer guarantees today to buy back your entire shelf at the end of its useful life.

- Closed design in plastic with low weight ensures safe, hygienic storage and clear access at all times. - High-quality processing of premium plastic enables perfect hygiene and easy cleaning, even in the dishwasher. - Valuable materials ensure sustainability and value retention. - Stable construction guarantees high load capacity. - Modular system allows for easy handling from assembly to cleaning with minimal effort.
