гарантируется.*

Closed support made of polystyrene segments on aluminium bearer beams.

The effortlessly attachable, enclosed plastic surface provides a lightweight, safe, and very easy-to-clean storage area, even in the dishwasher. Despite its low weight, this surface of the Norm 12 shelf can support high loads. Temperatures of -30°C are not a problem even in the long term. The materials used are sustainable, 100% recyclable, and so valuable that Hupfer guarantees today to buy back your entire shelf at the end of its service life.

- Closed design in plastic with low weight ensures safe, hygienic storage and clear access at all times. - Quality workmanship of high-quality plastic enables perfect hygiene and easy cleaning, even in the dishwasher. - Valuable materials ensure sustainability and value retention. - Sturdy construction guarantees high load capacity. - Modular system ensures easy handling from assembly to cleaning with minimal effort.
