гарантируется.*

Closed support made of polystyrene segments on aluminium beams.

The effortlessly attachable, closed plastic shelf offers a lightweight, secure, and very easy-to-clean surface, even in the dishwasher. Despite its low weight, this shelf from the Norm 12 range can hold high loads. Temperatures of -30°C are not a problem even in the long term. The materials used are sustainable, 100% recyclable, and so valuable that Hupfer guarantees to buy back your entire shelf at the end of its service life.

- Closed design in plastic with low weight ensures safe, hygienic storage and clear access at all times. - Quality processing of high-quality plastic allows for perfect hygiene and easy cleaning, even in the dishwasher. - Valuable materials ensure sustainability and value retention. - Stable construction guarantees high load capacity. - Modular system ensures easy handling from assembly to cleaning with minimal effort.
