Hook trolley for transport and storage of sterile supplies baskets and other items suitable for being attached to hook trolleys.

Trolley made entirely of high-quality stainless steel, robust, self-supporting and hygienic design. Tubular frame rack made of square tubes with curved corners, with welded hook pairs on two sides for attaching e.g. sterile supplies baskets. 4 polyethylene disc bumpers serve as bumpers and protect trolley on all sides as well as building-side walls from being damaged. Trolley runs on 4 swivel casters of which 2 with total locks, with back-hole fastening.
