The solid stainless steel base shelf offers a safe and hygienic storage space. The base shelf perfectly complements the tall cabinet and is supplied with shelving bolts and covering caps.

The easy-to-attach, solid high-quality stainless steel base shelf provides a safe and easy-to-clean storage space. The base shelf fits perfectly into the tall cabinet and is supplied with the necessary assembly material.

The base shelf can also be removed and height adjusted without tools after assembly.

The materials used are sustainable, 100% recyclable and so valuable that Hupfer guarantees that it will buy back your cabinet and accessories at the end of their service life.

- High-quality workmanship on high-quality stainless steel allows for perfect hygiene and easy cleaning
- Valuable materials ensure sustainability and value retention
- Robust construction guarantees high load-bearing capacity
