The stainless steel flat top ensures visually tidy connections all round on the tall cabinets and offers additional storage space.

The flat top on MediFurn tall cabinets provides a robust and reliable cover that offers extra stability and effectively stops dust accumulating.

The flat top not only adds to the aesthetics of the tall cabinets, but also offers a practical surface for additional options for use.

The materials used are sustainable, 100% recyclable and so valuable that Hupfer guarantees it will buy back your cabinet and accessories at the end of their service life.

- High-quality workmanship on high-quality stainless steel allows for perfect hygiene and easy cleaning
- Provides additional stability
- Effectively stops dust accumulating
- Practical surface for additional options for use
